EXPERIENCE

Nov. 2023-
Present
Redmond, WA
Full-time

Product Designer II @ Microsoft

- Designed new features for the Copilot for Security team at the intersection of **cybersecurity and artificial intelligence (AI)**
- Led our accessibility OKR efforts in making our cutting-edge product 100% accessible, ethical, and RAI-friendly for everyone

Aug. 2023-
Nov. 2023
4 months
Remote

UX Designer @ Neuron UX Design Agency

- Worked on a **B2B design and branding overhaul** for a prominent solar installer brand
- Created and owned the design system for the brand

Jan. 2022-
Jul. 2023
1 yr. 7 mo.
Seattle, WA
Full-time

UX Designer @ Panopto

- Collaborated with a diverse product team to research, design, prototype, and implement projects for one of the leading video platforms in the world
- Helped create and organize a **new comprehensive design system** for the company
- Led a **6-month user research effort** to generate a base of customer knowledge
- Served as the **head of accessibility** on the product team; organized a product-wide accessibility audit and developed a new framework for the dev team to tackle accessibility & usability issues

2021-2022
1 year
Remote
Part-time

Freelance Product Designer

- Coordinated project design goals on a high level, conceptualized and created user interface options, and developed desktop and mobile (responsive and native) mock-ups for multiple start-ups, including **digital marketing agency Two-Step Social**

Sep. 2020-
May 2021
9 months
Seattle, WA
Internship

Junior Designer @ Olson Kundig

- Combined skills in **architectural, interior, and user experience design** to aid commercial and residential project teams in design competitions, high-end residential projects, sustainability analyses for the green team, and marketing materials for the Olson Kundig website.

2019-2020
1 year
Houston, TX

Editor-in-Chief @ Rice Campanile

- Managed and directed an executive board and a staff team, set deadlines, and met with stakeholders to create a final publication that was distributed to the entire Rice University campus.
- Created a cohesive and **artistic design theme and graphic elements** to use throughout the publication, organized a ladder of spreads, and edited and finalized every page of the publication.
